

Department of Justice (DOJ) ITSS-5 Contract Overview

Delivering mission critical capabilities globally

ABOUT DOJ ITSS-5

Contract #: 15JPSS18DPZM00003

Expiration Date: 9/2027

American Ops is a prime contract holder on DOJ's IT Support Services (ITSS-5) \$4.5 Billion multiple-award IDIQ contract vehicle. This vehicle provides DOJ components and bureaus with IT planning, systems engineering and development, PMO support, cyber security, infrastructure, and operations and maintenance services. Further, the ITSS-5 vehicle provides streamline procurement and task administration conditions to DOJ bureaus and organizations for tasks that would otherwise be procured through a lengthier open market competitive process or through other external contracting vehicles.

Key aspects of this contract allow it to include the entire Systems Development Life Cycle (SDLC) for several types of information and management systems; procurement of hardware and software is allowed under the ITSS-5 program.
